eastfremantle.ps@education.wa.edu.au

FROM THE PRINCIPAL

Grounds Plans

The school has a draft Grounds Plan for future improvements—thank you to Julian Croudace for designing this for us. The improvements have been based on student, teacher and parent input through our school surveys over the past few years. The visual representation of this plan is now on the Junior and Senior noticeboard for all to see. If you would like to make comment please email your comments to the school at eastfremantle.ps@education.wa.edu.au.

Assembly

Our next assembly is on **WEDNESDAY JUNE 12TH**. This is a break from tradition so that our Kindy A students from George St can join us.

Kindergarten Enrolments for 2020

Our Kindergarten enrolments for 2020 are now open. Please see the office for information regarding the application process.

Enrolment for students going into Pre-Primary for 2020 will be opened as soon as Kindergarten applications have closed—at the end of July. Students coming into Pre-Primary will have to show evidence of where they are currently residing at this time. Due to the large number of students in this year level we will be unable to accept students that are not residing within our local intake boundary.

Warm Regards,

Jenni Chittick

Principal

Important Dates

EAST FREMANTLE PRIMARY SCHOOL NEWS

2019 Term Dates and Term Calendars

Please refer to the website for all the information you need relating to Term dates and Term Calendars.

<http://www.eastfremantleps.wa.edu.au/parent-information/term-calendar/>

DERBY DAY FUNDRAISER—FRIDAY 5TH JULY 2019

On the last day of Term 2, (5th July 2019) the Year 6 Fundraising Committee are holding another Derby Day Fundraiser.

We will be fundraising for the Starlight Children's Foundation, the charity of the Fremantle Dockers, as it is their home game, hosting the West Coast Eagles.

The fundraising Committee looks forward to your continued support.

OUTSTANDING STUDENT VOLUNTARY CONTRIBUTION AND CHARGES

A note has been posted home to parents as a reminder of the UNPAID voluntary contributions and charges for various students across the school.

If these outstanding amounts could be finalised as soon as possible that would be wonderful and this will assist with the budgets for resources, kitchen garden, grounds maintenance, excursions and sporting events.

If you would like to part pay the outstanding amounts that is not a problem. Please see me to arrange this .

I thank those parents who have paid these vital charges and fees, the school appreciates your continued support.

GROUNDS MAINTENANCE

The laying of asphalt was completed over the weekend. We're really pleased with the result.

The 4 square markings will be marked out next week.

Thank you for your co-operation over the past week.

Kind Regards,

Tracey-Anne Simpson

SCHOOL BOARD NEWS

It was such a treat to have the year 6 Ministers join us for the last board meeting. We were being briefed on school leadership initiatives and these inspirational young leaders of our school spoke about the valuable services which their Ministries provide. These services include managing classroom iPads, umpiring lunchtime footy matches, creating hall displays, filming assemblies, picking up playground rubbish, fundraising for charity and so much more!

The draft school grounds plan, which has been kindly put together by Julian Croudace, was presented. The exciting vision will now be amended and prioritised by staff, after which it will go out to the school community for comment.

The board is pleased to thank Kate Bovell for offering her expertise in assisting with the school's digital technologies plan. The board is also seeking input from someone with expertise in assessing and implementing sustainability initiatives. If you know anyone who would be interested in assisting the school in this area, please email timgreysmith@gmail.com

**East Fremantle
Primary School is
collecting stickers.
To help, pop your
stickers in the green
and purple boxes at
the office.**

Thank you

WE'RE MAKING IT EASIER!

Life is busy right? So we, the P&C, have been working on a plan that will help us all stay on top of all that is happening at the school just that little bit easier.

We hope you received your first P&C Newsletter late last week. If you didn't be sure to add the P&C email efpspc@gmail.com to your safe senders list or your address book to ensure the newsletter doesn't get relegated to the 'junk' folder.

If you have checked your 'junk' and still haven't received the newsletter, please email efpspc@gmail.com with your email address and we will check the list.

All the information that you need relating to the P&C will be added to our [P&C website](#) and you will receive this P&C Newsletter every second week (on the alternative week to your school Newsletter) with updates, events, volunteer opportunities, budget updates, uniform updates and much more from the P&C.

This will free up your class reps to focus only on class specific information and get you all the info you need in one email.

Remember, if you need to know when/where is a meeting, get an update on event, find out how and when you can volunteer or even just enjoy the latest photos from a recent event – you can find it all on the P&C website at anytime at www.efpspc.com
