FROM THE PRINCIPAL

Welcome back

Welcome back to all of our students and their families. I hope you all had a restful break and are all ready for the busy term ahead.

NO Jab/NO play

You may have seen in the media some important changes to enrolment in Kindergarten effective from this week. Children cannot be enrolled in Kindergarten unless they provide an Australian Immunisation Register (AIR) Immunisation History Statement, no more than two months old with a status of 'up to date'.

The status of all children's immunisation records (PP– Yr 12) must be recorded at school in our record keeping system and as a result the office staff may be contacting you to provide this if you have not already done so.

Reports

We still have some uncollected reports from the end of last term. They are in the office for parents to come and pick up at their convenience.

Connect Workshop for Parents

Next Wednesday the 31st July at 2.30pm in the library we will be holding a short parent information workshop on the new communication tool that teachers will be introducing called Connect. A teacher from each year level throughout the school will be trialling this with their class with all classes to be on board by the beginning of 2020. The classes that are trialling Connect will receive a communication from their teacher by the end of the week. Of course, all parents are welcome to attend even if their class is not in the trial.

Kindergarten Enrolments for 2020

Our Kindergarten enrolments for 2020 close this Friday 26th July. Please see the office for information regarding the application process.

Current Kindergarten students enrolling into Pre-Primary for 2020 have now received a letter from their Kindy teacher regarding the enrolment process. We would like these completed enrolment forms returned by this Friday. Students enrolling into Pre-Primary will have to provide evidence of their current address. Due to the large number of students in this year level we will unlikely be able to accept students that are not residing within our local intake boundary.

Warm Regards,

Jenni Chittick

Principal
