eastfremantle.ps@education.wa.edu.au

FROM THE PRINCIPAL

Colour Fun Run—Friday 6th December

The Colour Run organised by Mr Emery and Mr Robertson will be held on Friday 6th December. There is a notice outlining the details in this newsletter.

Leaving Certificates

Any students leaving our school this year (except our Year 6s) will be presented with a Leaving Certificate at the final school assembly on Friday 6th December at 9am.

If your child is leaving at the end of this year and you haven't notified us please send an email to the school on eastfremantle.ps@education.wa.edu.au.

Last Newsletter via email

I would like to sincerely thank everyone who has embraced 'Connect' and is now using this as the main form of communication. From Week 8 of term this newsletter will be placed on Connect and no longer emailed to parents.

Support is available from Jo in the office to anyone who has not connected or requires assistance. Many parents have accessed her help so please do not hesitate to come and ask her if needed.

Semester Reports

Semester 2 reports will be made available on Connect on the 16th December for PP - Year 5 and for Year 6 on Wednesday the 18th December. Kindy reports will be distributed in paper copy for parents - they cannot be sent via Connect as they are not a department template.

As a trial, all Semester 1, 2019 Reports will be available via Connect. These will be sent on Tuesday 26th November. Please contact Jo if you are having trouble viewing it.

Pre-Primary Fence

The pre-primary teachers have requested that everyone uses the gate to access the grounds and not jump the fence!

Cyber Safety Seminar

Advertised in this newsletter is our upcoming Cyber Safety seminar for parents. I cannot stress enough how important it is for parents to gain an understanding of the dangers of social media and the internet for our children. This is not just aimed at the parents of our senior students but all parents in the school. The seminar will be held on **Monday 2nd December at 5.30pm in our library**. It will run for approximately an hour. Thanks to Julie Hughes for organising this.

Unpaid Billing Items

If you have received a note in the mail regarding your child's account, we would appreciate outstanding amounts to be paid in full by the end of week 9 at the very latest. Dance and Swimming are activities that are part of the curriculum and are occurring this term. Please contact Tracey if you require a payment plan on tracey-anne.simpson@education.wa.edu.au

Timely Reminder

Yesterday there was an alleged incident in Bicton where a man followed an older female student and attempted to entice her into his car. Please remind your children about keeping safe on their way to and from school.

Warm Regards,

Jenni Chittick

Principal

2020 Voluntary Contributions and Charges Information to Parents

Attached is the **2020 voluntary contributions and charges** for the students of East Fremantle Primary School. The voluntary cost to attend school is only \$60.00 for each child per year which contributes to the curriculum areas to purchase resources for all our students.

Voluntary approved requests are amazing programs such as **Kitchen Garden**. Payments from the years 1- 6 students contributes to the running of the program and ensures this learning opportunity continues for all students involved.

P&C Voluntary Contribution: \$10.00 per student is requested from the P&C to assist the school with resources for all our students. The contribution is given directly to the school.

Charges: Incursions/excursions, swimming lessons, dance and other charges that appear on the voluntary contribution and **charges** section of the sheet are **extra cost options that students must pay for upfront prior to the event**. The sheet shows the many and varied activities that are planned for during the school year. Not all students attend all these events but to participate, payment is required.

An **invoice/statement** will be sent home to all families **in February 2020** with the voluntary contribution and charges in relation to each student and their year level. Please pay this invoice by the end of term 1 2020, or contact me if you wish to enter into a payment plan. I am more than happy to assist any family that wishes to discuss this with me.

Personal Items List for 2020 – ZIGGIES

The 2020 personal items list (previously known as book lists) will be available via the school website and via the Connect App from next week, 26th November 2019. In our endeavour to be sustainable, the lists **will not be handed out from the classroom teachers**. There are detailed instructions giving varied ordering and payment options. Parents can place orders online via Ziggies - **the paper less way** OR print out the lists relating to their child or children and complete and hand into the office by **12th December 2019**. All you have to do is read, make a choice and follow the instructions.

If you order via the '**Paper Form**' (please hand to the office by 2nd December 2019), packages will be available for collection in the school hall next year on Tuesday 28th January 2020 from 2.45pm to 3.45pm.

Any questions, please ask either Rachel, Joanna or myself in the front office.

Tracey-Anne Simpson

Manager Corporate Services

2019 H₂O Colour fun Run

Another EFPS Student Initiative

Friday 6th December 2019

Pre-Primary – Year 2 at 1.10pm-1.50pm

Year 3 -Year 6 at 2.10pm-2.50pm

Students can dress up in anything,

COLOURFUL.

This year students can raise funds through their list of supporting sponsors.

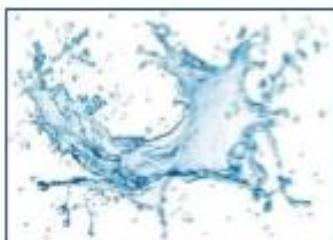

(Sponsorship form provided)

All funds raised will go directly to the Final stage of our Fitness/ Play Track
at the western end of our school oval.

This will involve the retaining, filling and final pieces of equipment installed Eg Rock climbing wall.

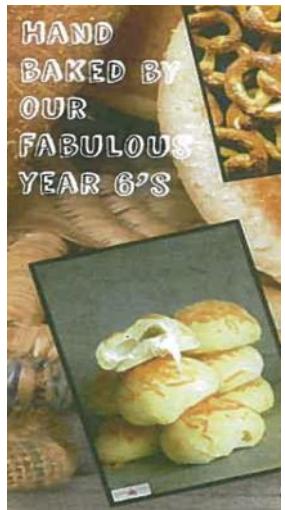

The powder is supplied through School Fun Run and is tested, safe and non-toxic. The Holi Colour Powder is made of high quality cornstarch with permitted colours. It is safe, non-toxic, biodegradable and environmentally friendly. Goggles will be provided.

All parents are welcome to come along and watch. Students are welcome to bring a towel to dry off after the Run.

Year 6 Charity Bake Sale Tuesday 3rd December Lunchtime

Dear Parents,

The East Fremantle Primary School year six students have spent term 4 exploring microorganisms with a particular focus on yeast. As a culmination of their studies, the students will be hosting a bake sale. All the profits raised from the sale will go to a charity the children have researched and chosen themselves.

Bread will go on sale on the 3rd December at lunchtime.

Please send your children with some gold coins so they can enjoy some delicious breads! A gluten free option will be available.

Kind regards, Mrs Carder and Mrs Hughes

Year 6 Graduation Lunch

"The year 6's have been preparing for graduation all term and just recently celebrated the Year 6 Graduation Lunch. In Kitchen Garden Sally and Jo helped us to make and prepare all the delicious food for our lunch. The lunch was a huge success and all the kids and parents loved the food. Thank you to the Year 5s who served the lunch and all the parents and teachers for joining us!"

Eva Macdonald Room 5

Birds of Prey

On Thursday the 7th of November, Yvonne Sitko (the owner of Birds of Prey) came to Room 3 and showed four birds also known as apex predators. “GT” the brown falcon, Crystal the Barn owl, Boo the Boo Book owl and the Whistling Kite.

Apex predators, or birds of prey, do not poke with their beaks, they cannot use much force in their beaks, their beaks are designed for ripping and shredding only and almost all the power comes from the feet.

The Brown Falcon “GT” can focus its eyes one thing at a time which means if you move the glove your hand is in then it looks like the bird is Dancing!

The Barn Owl “Crystal” is quite noticeable in Harry Potter Barn Owls are used. Barn Owls often have a very long lifespan in captivity. In England a captive Barn Owl lived up to 25 years old!

The Boo Book Owl “Boo” normally lives in a variety of places from Rain forest to Deserts. The reason why there’re called the “Boo Book” Owl is because of its distinctive “Boo Book” noise.

The Whistling Kite is quite large and has big wings.

The children saw all these birds up close and personal and even got to hold them. The Birds of prey rescue these birds and nurse them up to full health.

Some birds are being killed because of us, we use mouse baits and poisoning, the birds are eating those mice and getting sick. If you see a sick or injured bird call people like Yvonne and get them to come and help as quick as possible.

By Crystal Small

Best Bird of Prey

All birds of prey,
Are great, I must
say. Owls, falcons,
eagles, kites, and hawks

This could be a very long talk.

Don't worry don't worry,

This will be fun,

cause I'm only talking about one.

The wedged tailed eagle, it is, of course,

Because of its amazing attacking force.

It glides in the air in an amazing way,

And can see things from ages away.

Remember not to use rat bait,

Because if they eat it,

They could have a dreadful fate

They eat small land mammals,

But they wouldn't eat a camel,

Wedged tailed eagles are best out of all,

And my love for them is nowhere near small.

EAST FREMANTLE PRIMARY SCHOOL

NEWS

* * * NEWS FROM THE SPORTS DESK * * *

East Fremantle Primary School entered the big time of the A division athletics carnival earlier this term. After dominating the B division for many years it was time we made the jump to A division. With some terrific individual performances in our own carnival we went into this year's interschool athletics carnival nervous, but confident.

Tuesday held the individual jumps, 400m and throw events where we performed incredibly well. Over the 30 events of the day we received ribbons in 22 of them. There was some fantastic performances by some of our kids including Olivia Nordstrom who won both long jump and triple jump in the year 6 events. Another highlight was Ava Rodgers' 400m run. After practicing all term she ran an incredible race and was just pipped on the line. Next year nothing will stop her!

Thursday brought upon the sprint races and team games. We performed admirably well in all our sprint divisions with some exceptional results. While we performed well in our team games there is definitely room for improvement next year. The year 3/4 girls Leaderball and Passball teams performed incredibly well due to the amount of practice they put in and the hard work from Alice's dad Peter in the coaching and support he gave the girls across the term.

Overall it was an outstanding performance coming third overall in our first trip to the A division carnival. 3rd only behind the large schools of Melville and Palmyra Primary School. Great job East Freo Congratulations to our top performers Olivia and Elka Nordstrom for their gold medals and Eva Flynn and Lucas Job for their bronze medals!

THINK U KNOW PRESENTATION

ThinkUKnow Presentation- East Fremantle Primary School Library

Monday 2nd December 5.30- 6.30pm

Audience - Adults only. This presentation is suitable for adults only, please do not bring your children with you.

A separate workshop is being held for our students during school time.

ThinkUKnow was started in the United Kingdom by the Child Exploitation and Online Protection Centre (CEOP) and was developed for Australian audiences by the AFP in 2009.

The program is a partnership between the Australian Federal Police (AFP), Microsoft Australia, Datacom and the Commonwealth Bank, and is delivered in collaboration with New South Wales Police Force, Northern Territory Police, Queensland Police Service, South Australia Police, Tasmania Police, Western Australia Police and Victoria Police as well as Neighbourhood Watch Australia.

It is Australia's first (and only) nationally delivered crime prevention program.

ThinkUKnow for parents, carers and teachers

ThinkUKnow is a free, evidence-based cyber safety program that provides presentations to Australian parents, carers and teachers and students. It provides information on the technologies young people use, the challenges they may face, and importantly, how they can be overcome. Presentations are delivered face to face or digitally.

We aim to provide you with the tools to create a safer online environment for young people in your care.

Our presentations cover what young people **SAY**, **SEE** and **DO** online.

The presentations cover topics such as social media reputation management, cyberbullying, 'sexting', online grooming, online gaming, inappropriate content, privacy management, identity theft, how to protect your devices, and how to report matters when things go wrong.

The program bridges the knowledge gap between adults and young people so that everyone has an understanding of the roles they play and what they can do if something goes wrong online.

What young people **SEE** online

- We talk about challenges such as online grooming, 'sexting', cyberbullying and inappropriate content.
 - What you can do to support young people through online challenges.
 - We also explain how to report if something goes wrong.

What young people **SAY** online

- What you can do to help support young people understand what they say online can be permanent. We call this our 'digital shadow'.
- This includes talking about being respectful online, thinking before you post, knowing what information is okay to share online.

What young people **DO** online

- How they use technology to have fun online, such as applications (or apps), websites and social networks.
 - How they can handle their digital shadow, including their privacy and relationships online.

Gifted and Talented Selective Academic Program at Fremantle College - applications now open!

Gifted and Talented education at Fremantle College enables children with exceptional academic ability to engage and flourish in a learning environment that is intellectually stimulating and rigorous. Learning programs are flexible and tailored to accelerate, extend and enrich the learning for each student. Classroom environments that are creative, promote divergent and higher-order thinking, will foster the continued emergence of students' gifts and talents, and growth in learning. To apply, go to:

<https://www.education.wa.edu.au/giftedandtalented>
