The COVID-19 Ikon content collection is current at all times and the most reliable source of truth.

Latest News

Alternative Working Arrangements (AWA)
Guidelines have been updated to assist schools to facilitate Alternative Working Arrangements (AWA) for staff, where the organisational structures in schools allow this to happen. Go to Ikon for guidelines on how to implement these arrangements.

Cleaning guidelines for Term 2 2020
The cleaning guidelines on the Ikon page will be updated on Thursday 23 April 2020.

Increase cleaning staff during COVID-19
Schools can increase cleaning staff by increasing the work fraction of existing staff or hiring new cleaning staff. Go to Ikon to implement this.

Workforce Management – dealing with absences due to COVID-19
Information and materials to support line managers and school leaders to manage staff absences due to COVID-19 will be updated on Friday 24 April 2020. The updated information will replace the principles, FAQs and Ready Reckoner.

Manage staffing processes and appointments in schools during COVID-19
Principals have a number of options available when filling positions during this time. Information to support schools to manage staffing processes and make appointments during COVID-19 and manage existing recruitment processes is now available on Ikon.

Operate your school canteen during Term 2
School canteens can open for "takeaway only" in Term 2, 2020. Go to Ikon to find more information on operating your school canteen during Term 2.

Principal support
There have been changes to the COVID-19 Support Team. Go to Ikon for the updated contact details.

Support for diverse school and student needs
Support is available for schools to provide teaching, learning and curriculum adjustments. These can be found on Ikon.

Support students with a disability during COVID-19
The Department of Communities has partnered advocacy organisations to provide local information and support to people impacted by COVID-19. To help you support staff and students with disability, go to Ikon.

Support for printing and distribution of hard copy materials - Connected Learning Hub
Principals requiring assistance to print learning packages may submit a request for support using the print request form available through the Connected Learning hub. Go to Ikon for support.
