

Sunrise Juice

Serves: 36 tastes

Fresh from the garden: mint, passionfruit

Equipment:

Measuring jug
3 Serving jugs
Large plastic spoon
Stick mixer
Citrus juicer
36 small serving bottles
Chopping board
Knives
Black rectangular tray

Ingredients:

2 litres apple juice
2 litres orange juice
300g frozen mango
4 tablespoons passionfruit
4 limes, juiced
A handful of mint leaves, finely chopped

What to do:

1. Put 250ml apple juice into tall measuring jug and set aside. Share orange and remaining apple juices equally between the serving jugs.
2. Add mango and lime juice to the reserved apple juice and blitz with the stick mixer until it is a thin puree. Share evenly between the jugs. Add passion fruit and mint and mix well.
3. Pour the juice into the bottles and place on the tray and refrigerate until ready to serve.
